BUILDS 26 & 27 for 2024-25!

In 2024 there are plans to build in Rhinelander (26) and St Germain (27). Site work is beginning for both locations. The St Germain build will be an all volunteer build and the Rhinelander build will again be a joint effort between the Rhinelander High School Building Trades and local volunteers. If you are interested in volunteering for either build, use the QR code to enter the volunteer portal. Someone will contact you.

BUILD 25 - Rhinelander

Build 25 is nearly complete. We will celebrate the partner family dedication some time in September. We are waiting on some paperwork to finalize the closing date and dedication. Please watch your email for updates. If you would like to be added to our newsletter mailing list, please contact our **Executive Director, Dave Havel** at h4hnwwi.ed@gmail.com
