Build 25 Progress

Work on build 25 is progressing nicely. The Rhinelander High School building trades class and volunteers have the house roofed, interior walls are up, soffit and fascia, and plumbing is underway. Electrical will start shortly, and insulation will soon follow. We would like to thank Jed's Plumbing, DeWitt Electric and Dave Gaber, and R Value Insulators for their work on this phase of the build. Dave Gaber and R-Value work directly with the building trades class to supervise their learning and experience.

A BRUSH WITH KINDNESS

A Brush With Kindness (ABWK) is a home repair program offered through Habitat for Humanity. It provides basic interior and exterior home repair services for low to moderate-income homeowners who reside in Oneida and Vilas County, Wisconsin. ABWK assists homeowners who are unable to complete repairs on their own due to age, finances, or physical ability. There are three programs.

HOME PRESERVATION Exterior services that help preserve a home.

AGING IN PLACE Services to modify homes for people 60+ to enable activities of daily living and live safely in a home as they age.

CRITICAL HOME REPAIR Interior or exterior work performed to address health and safety issues to allow safe and healthy living and allow continued ownership.

Our Work Here Helps Those Around the World

Each quarter, Habitat for Humanity Northwoods Wisconsin sends a tithe to Habitat for Humanity International to support building homes around the world. In 2023, our Habitat tithed \$27,220 to Habitat International. We directed the donation to disaster relief.

For more information about local donations, contact our **Executive Director, Dave Havel** at h4hnwwi.ed@gmail.com or at 715.490.2309.

Land Donation

Habitat for Humanity Northwoods Wisconsin is fortunate

to have received a donation of 2 lots in St Germain Township. Our plan is to investigate alternate ways of completing a house build in order to start a home in the St Germain area in 2024. If you, or someone you know, would be interested in helping with a build in St Germain in 2024-2025, we are looking for volunteers for build accountant, public relations, volunteer coordinator, project manager, and builders. If interested, please contact our **Executive Director, Dave Havel** at h4hnwwi.ed@gmail.com or at 715.490.2309.
