RESTORE CELEBRATES 🎉

## 3 YEARS IN NEW BUILDING

April 5th marked the third year the ReStore has been in the new building at 908 Lincoln Street, Rhinelander. The purchase of the building has allowed us to expand our merchandise and

enhance display areas. Led by Dennis Shimeck, the ReStore staff and volunteers have done an incredible job establishing a welcoming place to shop, and a great place to work. The ReStore has been in operation for nine years, but having a permanent home in a prime location has made a huge difference in recognition and traffic to our store. Besides the used goods inventory, interesting offerings in the store are paint, rugs, and tools. Come and see what we have to offer.

Monday - Friday: 10am - 4pm  
Saturdays: 10am - 3pm

## Meet Our Board Members

**Name:** Greg Blum      **BOD Position:** Construction Chair

**Lives in:** Eagle River      **Worked at:** REC

**I became involved:** with Habitat builds in New Orleans, Atlanta, Charleston, Orlando through work, so when I retired, I helped with the one week summer exterior wall and roof build in 2023, on build 25. I was looking for a new volunteer opportunity and was asked to be a board member.

## BUILDS 26 and 27 READY TO BEGIN

In 2024 there are plans to build in Rhinelander (26) and St Germain (27). Site work is beginning for both locations. The St Germain build will be an all volunteer build and the Rhinelander build will again be a joint effort between the Rhinelander High School Building Trades and local volunteers. If you are interested in helping with either build, use the QR code to the right to enter the volunteer portal. Someone will contact you with volunteer dates. ## Rhinelander Community Foundation Grant

Habitat for Humanity Northwoods Wisconsin recently received a Rhinelander Community Foundation Grant that will be used to buy scaffolding for home builds. We appreciate being able to make build sites safer for volunteers. Our new scaffolding should arrive in May or June. Thank you RCF!

If you have other grant opportunities or donations, contact our [Executive Director, Dave Havel](#) at [h4hnwwi.ed@gmail.com](mailto:h4hnwwi.ed@gmail.com) or at 715.490.2309.

### Build 25 Progress

Rhinelander build 25 is nearing completion. Current projects being completed by the RHS Building Trades Class are drywall and siding. The sub contractors are coming in to do some plumbing, electrical and HVAC, then remaining projects include flooring, interior trim, siding, and exterior painting. Look for volunteer days in mid and late May. If you are interested in volunteering, use the QR code at the top of the page to register in the volunteer portal. We will contact you with dates.
