

HABITAT FOR HUMANITY NORTHWOODS WISCONSIN

Newsletter ♦ August 2024

BUILDS 26 & 27 for 2024-25!

In 2024 we plan to build in Rhinelander (26) and St Germain (27). Site work is beginning for both locations. The St Germain build will be an all volunteer build and the Rhinelander build will again be a joint effort between the Rhinelander High School Building Trades and local volunteers. If you are interested in helping with either build, use the QR code on page 2 to enter the volunteer portal. Someone will contact you with volunteer days and details. Coolidge Avenue, Rhinelander

Hemlock Lane, St Germain

Meet Our Board Members

Name: Jess Gaedtke **BOD Position:** Family Support Chair

Lives in: Rhinelander **Works at:** Aspirus Health

I became involved: I became a board member with Habitat due to its mission aligning with my personal beliefs. Working with the caring and honorable individuals of this organization has been a great pleasure. There has never been a more important time to be involved with Habitat for Humanity of the Northwoods and I was honored to be selected.

Looking for Lots in Oneida and Vilas County

We are looking to build a home in our Woodruff service area. If you know of available lots near Woodruff or anything in Oneida and Vilas County, please contact our **Executive Director, Dave Havel** at h4hnwwi.ed@gmail.com or at 715.490.2309.

Let There Be Light

Habitat for Humanity Northwoods Wisconsin is fortunate to have had very special volunteers on the last two builds. Dave Gaber and Gary Dencker, with the backing of TJ De Witt & Co, have worked with the Rhinelander High School Building Trades students to give them a taste of the world of wiring a house for electric service. Dave says “it is important that the students have the opportunity to ‘see’ what inside the walls looks like, and understand the terms of the trade. This will help them in the future, even if they do not end up working in the trades, and if they do, it will give them a head start.” Habitat Northwoods feels this has been an invaluable experience for the students and appreciates the talents of these electricians.

Build 25 Dedication

Build 25 is nearly complete. We will celebrate the partner family dedication some time in September. We are waiting on final paperwork to set closing and dedication dates.

Becky and family members working on finishing details

St Matthias Donates to Habitat Northwoods, WI

Habitat for Humanity Northwoods Wisconsin recently received a donation from St Matthias Thrift Shop. Funds will be used toward the acquisition of land in the Woodruff Service Area. We would like to thank St Matthias for supporting Habitat for Humanity and helping to build homes in Vilas County.

Please let us know if you have land available. If you have other grant opportunities or donations, contact our [Executive Director, Dave Havel](#) at dave.havel@habitatnorthwoods.org or at 715.490.2309.

“There’s no place like home.”
